Dear Mr. Garrison:

3 I suppose, you have received a platform ticket for a lecture on Bolivar on the evening of Jan. 8. — If the weather is not too severe, and the exertion not too great, it would be a great pleasure to see you there. I have occasion to speak of Bolivar as a true Emancipator, and naturally to refer to "our Liberator," so that your presence would add greatly to the interest of the occasion.

Enough has never been said of this feature of Bolivar's life, nor of the coldness, with which this nation treated South American independence for this reason.

Dont trouble yourself to reply.
If you do not come, I shall
know that you ought not to.

Very truly & Respectfully

Thomas Russell

W^m Lloyd Garrison Esq.
